BIRD FEEDER COLLECTION

Humming Bird Feeder

The Humming Bird Feeder attracts the most delightful garden visitors. This elegant form was created to compliment the stationary flight of the tiny, jeweled hummer and the spectacular, aerial, acrobatics of these avian visitors.

Nectar recipe, care instructions and red-tipped feeding tube with ball bearing are included.

Measures 9" in height.

Available in 4 colors: White, Royal Blue, Teal Green and French Blue.

BIRD FEEDER COLLECTION

2 Sided Seed Feeder

Literally 2 sided! Small birds can feed simultaneously from openings and perches on both sides. It's shape causes it to rotate in the smallest breeze. It becomes a kinetic element in the garden.

This expanded triangular slab-constructed feeder measures 8" in height and is hung with 90# test stainless steel wire.

Available in 6 colors: White, Royal Blue, Teal Green, French Blue, Lavender Blue and Butternut.

BIRD FEEDER COLLECTION

Bird in Flight Seed Feeder

2 Sided Hanging Feeder is a full-breasted bird in flight in profile with feeding openings and perches on both sides. Birds will feed simultaneously from both sides even when a breeze causes the feeder to spin gently.

This expanded triangular slab-constructed feeder measures 10" in diameter x 4" in width and is hung with 90# test stainless steel wire.

Available in 6 colors: White, Royal Blue, Teal Green, French Blue, Lavender Blue and Butternut.
